Introduction

In this document we explained about the list of Service API's used in Gofer Driver application with the sample JSON Response.

Response Status for all Services

- All the services will return **status_code** and **status_message** in response.
- **status_code** "0" means, there is an error/validation failure at backend
- **status_message** will have the reason for error and success message.

User Login

- Success response for login provides user profile details and access_token

Service URL

http://gofer.trioangle.com/api/login?mobile_number=7200279088&user_type=driver&country_code=91&password=123456&device_id=cZ8l2VLDIHg:APA91bFM8SW9TYspePKzGqs9kFfeYiU-SKH1a1A_Kgl8QBpfl_mn2wA09hx92wK335hii0-_WEM7UIZF7X_9wr3cHZBcrL7vx5V-kY-SJrcTWIHOU9WDFNmOtK8rxWv45sHtrcfLSc7m&device_type=2

Sample JSON Response

```
{
  "status_message": "Login Success",
  "status_code": "1",
  "access_token": "token",

}
```

Document Upload

- Driver documents like photocopy of license front and back, rc book, photo, permit and insurance are uploaded and maintained.

Service URL

http://gofer.trioangle.com/api/document_upload

Post Input Parameter

image = image date

token = user token

document_type=type of document (ex:license_back,permit,insurance,license_front,rc)

Sample JSON Response

```
{
  "status_message": "Upload Successfully",
  "status_code": "1",
  "document_url": "http://gofer.trioangle.com/Vimages/Vusers/V10017V1497260628_slectimage.png",
  "driver_document_count": 5
}
```

Vehicle Details Update

- Fetch and display the vehicle's detail in the Account Page.

Service URL

http://gofer.trioangle.com/api/vehicle_details?vehicle_id=3&vehicle_name=3&vehicle_type=GoferXL&vehicle_number=3&token=token

Sample JSON Response

```
{
  "status_message": "Updated Successfully",
  "status_code": "1"
}
```

Displaying The Requested Rider Details

- Display only the selected rider details.

Service URL

http://gofer.trioangle.com/api/accept_request?user_type=driver&request_id=8&status=Trip&token=token

Sample JSON Response

```
{
  "status_message": "Success",
  "status_code": "1",
  "trip_id": 8,
  "rider_name": "Mick",
  "mobile_number": "",
  "rider_thumb_image": "http://gofer.trioangle.com/Vimages/Vuser.jpeg",
  "rating_value": "",
  "car_type": "GoferGo",
  "pickup_location": "12V9, Ranan Nagar, Madurai, Tamil Nadu 625020, India",
  "drop_location": "Medical College, Alwarpuram, Madurai, Tamil Nadu 625020, India",
  "pickup_latitude": "9.9243429",
  "pickup_longitude": "78.1377275",
  "drop_latitude": "9.927488998424126",
  "drop_longitude": "78.13961237668991",
  "payment_method": "PayPal & Wallet"
}
```

Decline

- Driver not accepted the trip request from rider.

Service URL

http://gofer.trioangle.com/api/request_cars?request_id=93&status=Cancelled&token=token

Sample JSON Response

```
{  
  "status_message": "No Cars Available",  
  "status_code": "1"  
}
```

Cancel Trip

- Driver cancel the trip after accepting it.

Service URL

http://gofer.trioangle.com/api/cancel_trip?&cancel_reason=Rider%20No%20show&cancel_comments=&trip_id=38&user_type=driver&token=token

Sample JSON Response

```
{  
  "status_message": "Success",  
  "status_code": "1"  
}
```

Arrive Now

- Driver arrived in the pickup location.

Service URL

http://gofer.trioangle.com/api/arrive_now?trip_id=1&token=token

Sample JSON Response

```
{  
  "status_message": "Success",  
  "status_code": "1"  
}
```

Begin Trip

- Driver starts the trip.

Service URL

http://gofer.trioangle.com/api/begin_trip?trip_id=1&token=token

Sample JSON Response

```
{
  "status_message": "Trip Started",
  "status_code": "1"
}
```

End Trip

- After the successful completion of trip.

Service URL

http://gofer.trioangle.com/api/end_trip?trip_id=1&token=token

Sample JSON Response

```
{
  "status_message": "Trip Completed",
  "status_code": "1"
}
```

Rating To Rider

- Driver give the rating to the rider based on their behaviours.

Service URL

http://gofer.trioangle.com/api/trip_rating?trip_id=8&rating=5.0&rating_comments=&user_type=driver&token=token

Sample JSON Response

```
{
  "status_message": "Success",

}
```

Upload Driver Profile Image

- Update the driver profile image.

Service URL

http://gofer.trioangle.com/api/upload_profile_image

Sample JSON Response

```
{
  "status_message": "Profile Image Upload Successfully",
  "status_code": "1",
  "image_url":
"http://gofer.trioangle.com/Vimages/Vusers/V10001/V1497268785_slectimage_225x225.png"
}
```

Update Driver Profile Information

- Updating the driver profile information.

Service URL

http://gofer.trioangle.com/api/update_driver_profile?first_name=test&last_name=user&email_id=test@trioangle.com&mobile_number=98765432101&country_code=91&profile_image=http://demo.trioangle.com/gofer/public/images/user.jpeg&address_line1=123&address_line2=willliyam+street&city=newyork&state=US&postal_code=4567&token=token

Sample JSON Response
